7. The observation of hearing committee based on the submission made by the college representatives during hearing and assessment report of the NCISM have been carefully re-examined in terms of Regulation 3 of the "Indian Medicine Central Council (Requirements of Minimum Standard for under-graduate Ayurveda Colleges and attached Hospitals) Regulations, 2016", "The Indian Medicine Central Council (Post Graduate Ayurveda Education) Regulations, 2016 and provisions under the NCISM Act, 2020 and relevant regulations thereunder, **and once again as per the direction of President, Medical Assessment and Rating Board for Indian System of Medicine (NCISM), the recommendation of Hearing Committee was placed in the 50<sup>th</sup> Board meeting of Medical Assessment and Rating Board for Indian System of Medicine (NCISM) held on 03.08.2023.**

WHEREAS, in view of the shortcoming and deficiencies mentioned in above paras, and as per the observation of Hearing Committee based on the submission made by the college representatives during hearing and assessment report has been carefully examined in terms of concerned Regulation and provisions under the NCISM Act, 2020 and relevant regulations thereunder and it is found that the college is fulfilling the **basic eligibility criteria for issuance of LOP to start 01 New PG course in the subject namely (i) Shalya Tantra- 04 seats and not fulfilling the basic eligibility criteria for issuance of conditional permission with 60 seats (75 seats including EWS) for UG (BAMS) course under section 28 of NCISM Act 2020. However, Board decided to issue conditional permission as per the approved Seat Reduction Policy in accordance of Section 28 (1) (f) of NCISM Act 2020 for failing to maintain the minimum essential standards for the Academic year 2023-24 on the basis of the condition that the college shall fulfill the deficiencies as mentioned in the observation of Hearing Committee in above paras by 31<sup>st</sup> December 2023-**

**"For deficiency of every one teacher, seat reduction in the intake capacity shall be considered by reducing the intake strength by 5 % of total intake capacity."**

Accordingly as per Schedule-V Note (iii) of MSR 2016 the deficiency of teacher for up to sixty intake capacity shall not exceed more than ten percent of total requirement. As per the Hearing Committee observation and approval of Minutes in the 50<sup>th</sup> Board meeting of MARBISM, college is having only 21 total eligible Teaching faculty excluding excess staff and additional staff for PG course.

There is deficiency of 06 teachers for issuance of conditional permission for academic session 2023-24 as per Schedule-V Note (iii) of MSR 2016. **Therefore, in accordance of Reduction policy 2023-2024, for deficiency of every one teacher, seat reduction in the intake capacity shall be considered by reducing the intake strength by 5% of total intake capacity.** Therefore, after applying the seat Reduction Policy college is fulfilling the basic eligibility criteria for issuance of **conditional permission with 42 seats (53 seats including EWS) [instead of 60 seats (75 Seats including EWS)]** in UG (BAMS) course under section 28 of NCISM Act, 2020 for the academic session 2023-24.

Accordingly, after applying the seat reduction policy 2023-24 under section 28 (1) (f) of NCISM Act 2020 college is fulfilling the basic eligibility criteria for issuance of **conditional permission with 42 seats (53 seats including EWS) [instead of 60 seats (75 seats including EWS)]** in UG (BAMS) course under section 28 of the NCISM Act, 2020 and issuance of LOP to start 01 New PG course in the subject namely (i) Shalya Tantra- 04 seats (05 seats including EWS) under section 28 of NCISM Act, 2020 for the academic session 2023-24.

8. Therefore, in view of shortcomings and deficiencies mentioned as above, **Conditional Permission is granted to Kaviraj Ananta Tripathy Sharma Ayurvedic College & Hospital, At/Post-Ankushpur, Via-Kukudakihandi, Dist.-Ganjam,-761100, Odisha (Inst. ID- AYU0209) with 42 seats (53 seats including EWS) [instead of 60 seats (75 seats including EWS)]** in UG (BAMS) course under section 28 of the NCISM Act, 2020 and issuance of LOP to start 01 New PG course in the subject namely (i) Shalya Tantra- 04 seats (05 seats including EWS) under section 28 of NCISM Act, 2020 and relevant regulations there under for the academic session 2023-24.

- (i) It is further informed that minimum **15% of undergraduate seats of the permitted intake capacity of 42 seats (53 seats including EWS) [instead of 60 seats (75 seats including EWS)]** and **15% of postgraduate seats of 04 seats (05 seats including EWS) in 01 PG course** seats shall be treated as all India quota. The counseling for seats under all India quota shall be conducted by respective counseling authority as designated by Central Government for A.Y. 2023-24 and counseling for the remaining 85% seats or as the case may be, shall be conducted by the concerned Counseling Authority of that State/UT. **The permission of the college stands withdrawn if the college fails to comply with the aforesaid direction of the Central Government/NCISM for all India quota or the students admitted thereunder.**

8. Admissions made in violation of the above conditions will be treated as invalid and action will be initiated under NCISM Act & Regulations thereunder.
9. Discrepancies, if any, may be immediately brought to the notice of Medical Assessment and Rating Board for Indian System of Medicine, NCISM.
10. **The following requirements should be fulfilled by the college by 31st December, 2023 and send a compliance report to get permission for the academic session 2024-25:**

  - all the requirements under the provisions of the NCISM Act, 2020 and relevant Regulations made thereunder should be fulfilled in toto;
11. The fulfillment of the shortcoming mentioned in the observation of Hearing Committee and conditions given above may be made within the time period specified and compliance report should be submitted by the college to President, Medical Assessment and Rating Board for Indian System of Medicine. The Medical Assessment and Rating Board for Indian System of Medicine will verify that the conditions have been fulfilled for considering the permission for the academic session 2024-25.
